Men Who Have Been U.S. Citizens Quarter Of a Century Listed.

NEW YORK. July 19.—With very few exceptions all of the American business firms and individnals placed by the British government n the blacklist under the trading with the enemy act, have their quarters in New York Coty. Most of these merchants expressed no surprise today over the action of Great Britain, J. A. Kahl, an exporter and importer, said:

This blacklist has been in the hands of bankers all over the world at least for one, hav, been blacklisted. I am and thave been for 20 years an American citizen. Not only has my business, which was mainly with China, Japan and far eastern countries, been broken off completely by the seixure of goods, but I have been unable to buy bills of exchange or in any other way settle my affairs. Others have been unable to get bills of exchange through me.

American's Goods Seized.

Alfred Richter, a trader with Chinese and Japanese merchants, made a similar complaint.

"My goods have been seized at Hong Kong and elsewhere regularly," he said "until I stopped doing business. My mail to my agents in Canton, Tien Tsin and other cities was returned to my.
